Scientific programme

- Invited Lectures
- Oral Presentations
- Poster Presentations
- Presentation of the GRIBOI Awards
- Scientific exchange for Young Scientists

Provisional conference programme

Session 1: Injectable biomaterials and bioceramics

Session 2: Tissue engineering and hybrid materials

Session 3: Cell and gene therapy

Session 4: Implants in orthopaedic and dentistry

Session 5: Nanotechnology in biomaterials

Conference topics

- Injectable biomaterials
- Bioceramics
- Gene and cell therapy
- Hybrid materials
- Tissue engineering
- Medical implants
- Nanotechnology in biomaterials

University and industrial exhibition

The exhibition of research laboratories, universities and industries will be located in the conference site.
